ARE YOU A PROJECT & ACCOUNT MANAGER

WITH AN EYE FOR INNOVATION
AND A HEART FOR HEALTHCARE?

NEED A NEW CHALLENGE?

Belgian healthcare is one of the best in the world, but the sector is under a lot of pressure. While the pressure on funds is increasing, the demand for high-quality care continues to grow due to higher patient expectations, new treatments and the ageing population. The main challenge, therefore, is more and better care at a lower cost. Do you think our healthcare organisations could use your help with professionalisation, their focus on core qualities and efficiency, and the expansion of sustainable partnerships and network structures between care partners?

Then this mission will definitely be something for you!
